UNIVERSAL LOVE - PAUL LUFTENEGGER

[https://youtu.be/owfP\\_hmkfoA](https://youtu.be/owfP_hmkfoA)

Paul Luftenegger is an International Multi Award Winning Singer, Songwriter and Composer, who's energy was guided my way through a special soul named Elspeth Kerr, which is the co author of their book titled, "Magic and Miracles." We were divinely connected two days prior to me completing this book. With Paul's consent and blessing, I would like to share his message through his song "UNIVERSAL LOVE," which in an uncanny way is my big

dreams vision! Please enJOY this beautiful MAGICAL song! A creation from an inspirational light being upon earth that truly recognizes the MIRACLE we ALL are upon Earth and Heaven sent!

UNIVERSAL LOVE – Paul Luftenegger - Lyrics

The stars are calling out your name  
This world is shifting it's about to change  
Oh don't you worry little dear  
There's so much love in the atmosphere  
There are angels here, they are near  
To guide us here  
The world's alive with so much light  
The universal love has come  
Oh rest your head and rest your heart  
The violet sky has come  
The kingdom of creation lies right inside  
Don't be scared and don't you dare  
This is a plan for a better man  
Have faith in the stars up in the sky  
Have faith in the skies that we share  
We are a part of all that is  
We are a part of it all  
Expand your mind and release the shackles of this life  
Who do you want to be you can be anything that you want to be  
We are creators of the universe  
We are creators of love  
We are the superheroes of our time  
It's time to be all we can be  
Release your fears there's only love here  
There's only love  
There's only love  
There's only love to come!

LOVE IS A GIFT – Arkangelo

<http://youtu.be/Bsem9hAybOM>

LOVE IS A GIFT - Lyrics

Love is more than words could ever say,  
Give it time and life will show you how to beat the pain,  
Let it crash upon the shore; let it rain for days and days.  
As many days as it takes to be sure,  
And you will find that love will wash it all away,  
We are made of the same bright stars, which we gaze,  
And all we are will never fade,  
Love is a gift that ya' get when ya' give it away,  
Reverberating out in waves,  
Love is growing stronger every day,  
Open up your heart you'll be amazed,  
Love is a gift,  
Love is more than just a crassy game we've played before,  
Give it time to get to know you feel it deep down in your core,  
Make Love Not War,  
Make the world a better place for all of us worth living for,  
Now it's time for us to face it loves at the door.  
We are made of the broken hearts we save,  
To live and to laugh, to love and to learn to be brave.  
Love is a gift that we get when we give it away,  
Reverberating out in waves,  
Love is growing stronger every day,  
So open up your heart don't be afraid.  
And don't you forget, that love,  
Is a gift that ya' can't resist.  
Love is a gift, that ya' get,  
When ya' give, When ya' give it away.

LOVE IS A GIFT

THE ANGEL IN ME - Jeff Pescetto

<https://youtu.be/hxXy2zf6sRU>

THE ANGEL IN ME – Lyrics by: Terri Lynne

Although my eyes may never see,  
The Angel watching over me,  
Through my Angel's light I've learned,  
Your WINGS PASSED ON – I've earned.

I look in my mirror,  
Then glance up high,  
I'm standing on solid ground,  
After your spirit taught me to fly.

CHORUS:

Take the time to read the signs,  
An Angel you will see,  
One up above and one in your mirror,  
Throughout eternity.

Trust in the process,  
Each and every day,  
Keep believing in miracles  
As you find your life's way.  
Your Angelic wings passed on will remain,  
Inside my soul you'll always be,  
The light and love that shaped my life,  
Is the reason I believe in ME!

CHORUS:

I took the time  
And read the signs,  
An Angel I now see,  
One up above  
And one in my mirror...  
To remain throughout eternity!  
Now take your time and read the signs,  
Let go, your soul is free,  
See the ANGEL in your mirror,  
Like I see "THE ANGEL IN ME!"

Trail off: Take the time, read the signs, throughout eternity...
